Isoken Ogbomo Named NAWBO Chicago's 2024 Women Business Owner of the Year

Bolingbrook, IL – Isoken Ogbomo, of [Complete Health Services](#) & [In-Home Caregivers of Illinois](#), will receive the Woman Business Owner of the Year award at Women Mean Business®: NAWBO Chicago's Regional Entrepreneurial Conference & 41st Annual Fundraiser. This award showcases an outstanding individual for her business achievements and commitment to serving this organization. The winner of this award is an exemplary member who inspires us while propelling entrepreneurship forward.

"I'm deeply honored to receive the Woman Business Owner of the Year award. "As a "Nursepreneur" dedicated to transforming the landscape of geriatric care, receiving the Woman Business Owner of the Year award, highlights not only my personal achievements but also the dedication of our entire team at Complete Health Service Inc and In-Home Caregivers of Illinois. It's a testament to our unwavering commitment to providing exceptional care and support to our clients and their families. This award motivates us to continue striving for excellence and making a positive difference in the lives of those we have the privilege to serve."

Isoken Ogbomo

CEO, Complete Health Service Inc

Women Mean Business® will take place at on April 25 from 8:00 am to 6:00 pm at the Hilton in Oak Brook. The day includes educational sessions, a keynote address, lunch, awards and concludes with the Chocolate and Cocktail Reception. Tickets are available for purchase on the [event website](#).

Complete Health Service Inc vision is to become the complete geriatric wellness provider offering one-stop aging-in-place solutions for families and top-level retirement communities offering medical geriatric wellness, healthcare staffing, in-home caregiving, and long-term planning.

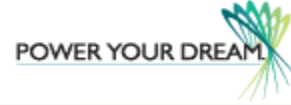

Our daily mission is to give every older adult an opportunity to live the fullest life possible wherever they call home, through delivery of high standard, and reliable wellness program that promotes independence and dignity, reduces care cost, and relieves the stress associated with family caregiving.
